

**The Nature Connection, Inc.**  
*Bringing Nature, Animals & the Arts to People*

## VOLUNTEER OPPORTUNITY

***A unique volunteer opening for bird and wildlife enthusiasts  
and anyone who loves animals!***

**The Nature Connection (NC)** is a non-profit organization that brings nature programs to people with limited access to the natural world. Combining nature, animals and the arts, we deliver educational and therapeutic programs to heal and to teach vulnerable youth and elders. Founded in 1983, NC serves residential and special needs schools, elder facilities, and urban after-school programs in Greater Boston.

**The Nature Connection seeks volunteers to provide weekly care for one crow (and future owl).** The various injured, non-releasable birds are housed in 8 foot tall “mews” in the yard of a private West Acton home, and used in NC’s travelling nature programs. Volunteer tasks include feeding, light cleaning, and socializing with bird(s). Full training will be provided; no prior experience necessary.

**Schedule: 30-45 minutes weekly, ongoing.**  
Consistent day and time required for this volunteer opportunity.

**Location: West Acton.** Car needed to drive to this location.
